1. **Background.** Increased emphasis has been placed on integration of the Naval Reserve into the operating forces, by making Reserve commands substantially more capable for rapid mobilization and augmentation. In addition to new hardware, aircraft, and ships, growth of the Reserve force requires a constant influx of talented, career-oriented personnel.

a. Conversion of Navy members currently on active duty is essential to meet the manning requirements of the Training and Administration of Reserve (TAR) Conversion Program.

b. The following table identifies those ratings included in the TAR Conversion Program:

Ratings	Paygrades	Male, Female, Both
EM, EN, HT, IC, MM, MR, IT, and MS	All	Males only
HM	E-4 through E-7	Both
AC, AD, AE, AM, AME, AO, AW, ASE, ASM, AT, AW, AZ, JO, NC, PH, PN, PR, SK, and YN	E-4 and E-5	Both

c. Members must take into consideration that an administrative reduction in rate may occur if recalled to active duty.

d. Tour length will be 48 months.

2. **Requirements/Qualifications**

a. Complete section A of NAVPERS 1306/92 (Rev. 04-03), Special Program Screening Form, Exhibit 1 of MILPERSMAN 1306-900.

b. Required obligated service (OBLISERV) for this program is 48 months.
